The Premises:

The usual establishment reported many times.... Discreet entrance etc

The Lady:

Grace is stunning head to feet "literally".... as her pictures but probably "in my opinion" better in the flesh... a Sexy Northern Hot Pot !!!

Lush Brunette hair, great body, looks mid to late 30's and a beautiful gorgeous face.

The Story:

This is my second time visiting Grace and I am glad I had the chance to see her again.

Booking is always very easy and seamless with the professional maids there, booked and arrived a few minutes earlier.. waited in reception until the room became available.

Once available, I made myself comfortable and Grace followed shortly in..

What transpired was a great and fun packed session, Grace is so accommodating and puts you at such ease... as if i am going to see a good friend, so down to earth and nothing is ever an trouble.... Northern hospitality for you... the best.

I availed myself to a normal GFE with some added extra accoutrements applicable to my idiosyncrasies..., she ticked all my boxes.

I was properly "Looked After ... wink wink"... by Grace and towards the end she obliged my naughty kink before I left with a big smile on my face and a spring in my step..

I would be back to see her again very soon, a great addition to this amazing establishment.

Keep up the quality !!!
