The Lady:

Morgan is a very natural 20 something girl next door and her profile pictures perhaps over glamorise her. She is far better in the flesh than in the photos. She has lovely soft large natural breasts which were a pleasure to caress.

The Story:

I have to be honest and say that Morgan was not my first choice but the maid rang me to say that my first choice was not available and I am so glad that I chose Morgan instead. She is so natural in every way and a real pleasure to be with. She is pretty and can hold an intelligent conversation. I would have been happy to spend an evening with her at any function. So, to the purpose of my visit Morgan's arms were around me from the start and much mutual kissing and stroking led naturally to oral both ways and a seamless transition to penetration after the skilful application of protection. Her slow cowgirl while kissing me was bliss. She finished me slowly by hand and gave the best orgasm I have experienced in a very long time. Thank you Morgan, I shall have to return.
