The Premises:

About a ten minute walk from Victoria train station. I arrived 5 minutes early and was offered a drink by the very attractive maid and then I had a shower.

The Lady:

Dollar is a gorgeous raven haired early twenties beauty from Romania. Big luscious lips, natural breasts, a shaved pussy and a fantastic bum. She was dressed in red lingerie with red high heel shoes and looked stunning. Smiley and friendly from the moment she walked in the door till the moment I left. Her photos are unblurred on the House of Divine website and on Twitter.

The Story:

Dollar walked in the room and greeted me with a kiss then I handed her the money. She then took off her high heels and dropped about 4 inches. Once the towel was laid out on the bed she asked me to join her on there and we began to kiss before she started sucking my nipples. I was starting to get quite erect by now and Dollar asked if she could suck my cock. Her OWO is superb. I really couldn't wait to get those delicious lips round my cock and for the next few minutes she showed me why some call her the Queen of Blowjobs! Onto a 69, which was fantastic. After that she put the condom in her mouth and proceeded to put it on my cock. I'm always impressed when girls do that! Dollar asked what position I would like and as I said that I would like to go on top. We had some really nice slow sex and Dollar had got me so hard that it was an absolute joy having my cock inside her lovely pussy. Dollar has really nice eyes and she made plenty of eye contact during sex. After a few minutes of missionary position sex, I asked Dollar if she could go on top, which she did. This was lovely but then she took it to another level and crouched above me riding my cock. Seeing those beautiful natural breasts bouncing before my eyes was something I won't forget. Sensing that time was running out, I went on top again and the sex got faster and sure enough, I came in her pussy.

While cleaning up and getting dressed, I had a nice conversation with Dollar and the main gist of it was how come it took me so long to see her and after mentioning that I had seen Adrienne before and now had seen Dollar, I now intend to see both of them in the near future for my first House of Divine threesome. At exactly 12:59, I exited the room and Dollar asked if I would like to say hello to

Adrienne, who looked as stunning as ever. I really can't wait to see both of them together. I then left the building after Dollar gave me a kiss goodbye at the door.

A perfect half an hour with a lovely girl. Thanks, Dollar.
