The Story:

I entered the well known establishment. Showered and cleaned. Saw Louise and another girl, already seemed very upbeat singing and dancing around the kitchen. I went up to the top floor bedroom, Louise entered, she looked amazing. Dealt with the paperwork. Had a nice cuddle and kiss. Full on snogging - which I adore. Had a conversation about the industry and her appearance on the Victoria Derbyshire Show. Told her that she spoke very well and was a very articulate advocate of the industry. On to lovely covered oral with lots of eye contact and enthusiasm. She then mounted me and we fucked! It was one of the best sessions, I've ever paid for. So many positions. Think I did more with her than I have in the last countless years. She finally ground her cunt around on my cock until she came, very loudly. Great. She then removed the condom and wanked me to heaven, with lots of nice bum play. We then had another good conversation about TV and places we had both been to at points. I understand she is out of the industry for a month or two, but will be a firm favourite revisit for me on her return.

Always great to have a good conversation with an articulate and intelligent lady. An excellent GFE punt with a very beautiful girl. If you do read this, thank you ever so much and I shall return.
