The Story:

Entered showered downstairs, sorted the paperwork. Daisy entered the room, we lay on the bed kissing and cuddling. Full on snogging. We had a great chat too. On to action - I wanked her cunt to get her nice and wet, whilst kissing and cuddling her, she came very loudly and gave me a really nice tight squeeze! On to OWO, very lively, she has a lovely touch, light but firm just right. Can't beat it at all, she's great. Cover on. I then mounted her for a bit of missionary, all whilst snogging her. On to a bit of doggy - she said that she likes my slightly larger than average dick to open her up for the day. Lots of nice moaning - both ways. Not long before I felt the urge. On to some very nice OWO not long before I spaffed in her mouth! Felt so great. Had a nice chat a kiss goodbye.

What a treasure. Lovely lady, so pretty and friendly. Highly recommend - you simply must see her. Her GFE is out of this world. If you read this darling, I'll see you again soon!
