The Story:

THIEF

Booked to visit me at an good Exeter hotel. She agreed and asked for a £50 deposit. I said fine. 2 minutes before she was due to arrive she cancelled, some excuse about babysitter. I said OK and sh promised to return the money. 6 weeks later and still not returned. She has made excuse after excuse and has gone as far as telling me I am luck she hasnt blocked me for hassling her! She is a THIEF. Avoid at all costs, never ever pay this woman up front. She also became very offensive and abusive via text. If anyoine doubts this or wants evidence I have the entire thread available so email me.
