See MN site. Far better in the flesh.

The Story:

R+B

Booked long appointment having seen both girls before [R 2 or 3 times, B just once]

Upstairs room 2. Showered and sat in the chair blindfold on. Waited. Waited. At 15 mins late the girls arrived. I do not do late!

The door opened sounds of giggles. They approached me. R would you like to hear what we are wearing? Me No, I want to feel. B was first up. I ran my hands up and down. Heels, no stockings. Her impressive tits were on hand. R was next. More complicated. Combined bra and knickers. Heels, no stockings.

I wanted to greet their bottoms. These girls are best friends but bottom contact was too much. As our time passed this shyness faded. Followed an intense period of bottom licking, both girls joining but separately. Quite a sight with two gorgeous young girls laying on the bed holding their bottoms open for me.

Once we had agreed ground rules. After that there was never a 'no'.

Our fun settled into a pattern. Mostly B would cater for the trouser dept. Deepthroat or using me as she needed. R would kiss me. R kisses passionately full on. The sight of tiny R standing beside me waiting to be kissed whilst B swallowed my cock with remain with me for a long time. My next appt with R will be 80% DFK. You try to resist!

These two are friends in the real world. I am sure that they slipped to real names for a few seconds but R was sitting on my face so I missed it.

Gentlemen, ask R about her favourite position to enjoy your cock. You will not be disappointed.

As we played as asked for DT. Who could manage all my cock? They already Knew, B. Both tried but B went almost all the way down. R pushed but was going to choke. B is very good at DT, very gentle with a naughty twist. Also, very keen, I had to stop her several times.

As our time progressed R was enjoying my cock. B was pleasing herself. R wanted to watch so we moved to the mirror. I could not see but B said it was like a live porn film.

Both R+B are difficult to make cum. I have tried and failed.

What else did we do? I asked the girls to walk around the room and return to my face. Each time offering a different option. Kissing, ass, tits, pussy or anything.

So, where for me to cum? B lists CIM but this wasn't offered or discussed. Plan was for me to cum on their tits. Two beautiful young girls holding their tits up for me. There was a risk of over spray.

Decided to lay them down, side by side and for me perform. Very satisfactory result with I licked from B's ample tits.

These two are fantastic together. I thoroughly recommend.
