The Premises:

After an early summer of relative inactivity this secret agent decided on a Friday afternoon venture down to leafy Kings Langley and One2One's flat in a secluded low rise block down by the river & canal. Ample unrestricted parking in the large residents car park. The flats are in two small blocks. Unassuming, and seemingly more suited to older occupants.... "you don't expect this sort of thing in a place like Kings Langley". The flat inside is clean, spacious & has a large firm bed for horizontal gymnastics. Booking made on the phone with the humourous Moneypenny. It was good to have a catch-up chat.

The Lady:

First mission to Angel for 007. Always an additional tingle of excitement on a first visit. After confirming arrival at the appointed hour with Moneypenny in control was welcomed into the flat by Angel (only the girl booked present at One2One locations, no maids etc). First impressions, great. Stunning looking dark haired woman, nice pink underwear set very much like profile pictures except her hair was short and not long as in the pictures. Good English spoken with a very sexy Italian accent. Everything seemed to match up well with the website profile & pictures except aforementioned hair length which she said she had cut that morning.

The Story:

As this was a first encounter with Angel I was already quite aroused by her welcome into the bedroom. Admin dealt with she left the room briefly whilst I got ready for action. She asked me what I liked and seemed enthused with the suggestion that I gave her a tantric massage using my own 007 cocoa butter lotion. What followed was an intense 45 minutes of pleasure. Mutual tantric massaging including body to body, looks of tongue action, French kissing, sex in a variety of positions. Angel's Delights are numerous and she is vocal at letting you know when you've hit the pleasure spot and this is one very moist lady at the pitch of arousal. For me the peak came with the most explosive and very much encouraged by her CIM. Wow I just keep getting stiff thinking of that moment!! This was a fantastic sexual experience with a lovely talented & very funny young woman 5 stars for you Angel, 007 will return for another mission very soon.
