Details of Service Provider:

Profile Name: Submissive Emma

Website: <http://www.londonsubmissiveemma.co.uk>

Phone: 07964319094

The Premises:

Nice discreet flat but parking could be a problem best to use the tube as it is only a short walk from Baker street tube station.

The flat was clean and well equipped.

Did not use the shower /bathroom facilities

The Lady:

Petite lady with great boobs matches her pictures and details on her web site and in her adverts so I see no need to repeat these things here

The Story:

On arrival Emma was "lurking behind the door" the reason for which became obvious when the door closed and she was already wearing the requested clothing (brought in specially from home)

After a short chat we got down to the matter in hand and she went well above what I had requested (or expected) in fact she was pushing me to go further which makes a change from girls that want to make everything extra.

Apart from the bondage surcharge I was not asked for extras

Had a good chat afterwards and was not rushed out

Will visit again, next time I hope to stay longer
