The Premises:

Basement flat near Baron's Court Tube, London. Shared with two other girls and the maid. Two other girls were in a reception area when I arrived. Said a quick hello before the maid took me into the room and brought me a drink. Nice maid, nice room with full length mirror and double bed. Morgan arrived a few minutes later. Not sure the other two girls had appointments at that time as I didn't hear or see anyone while I was there. As I was approaching though, I did see someone leave, so there is the risk of passing people on the steps if that's a concern.

The Lady:

A real cutie. I tried to guess her age and she said she was older than the 23 I thought. She doesn't look it. Very cute face, with a cheeky smile. Curvy figure, nice, big billowy breasts.

The Story:

Morgan was attentive throughout. I get the impression she gets even better the more she sees someone. Not that she didn't treat me right, but I think she was feeling me out to see what kind of punt I'd be. She took control for most of the encounter until I gently insisted that I had to eat that gorgeous looking pussy. Before then she took me to heaven with a gorgeous mouth and hand combo that got my cock crazy stiff. Morgan has this wonderful way of licking the head with her lovely little tongue, was good fun twitching my cock as she put her tongue to work!

She did all this in her undies, finally I had to unleash those lovely tits. They're heavy and quite a handful. We stood in front of a full length mirror while I rubbed them in my hands, her hands on mine. Pretty hot! Then I had to go down on her and taste that lovely pussy with a little bit of hair growth. Got her relaxed to the point where I slipped a finger in and gently started to probe. The noises she made suggested it was okay! I chanced her sucking her pussy juice off my finger, but she says she doesn't taste her own!

Then into RO, which was good but we were slightly out of position, so I couldn't properly eat her as she sucked my cock. Then onto the main event. Got the impression Morgan was not up for a gymnastic session, so we stuck to mish. But, it was fantastic riding on top of her, telling her to look at me with that beautiful face as I thrust into her. Her moans during this were real music to the ears

and my orgasm left me seeing stars. To show how excited Morgan got me, I was still rock hard when I took the condom off. But, no time to go again. As we lay there, she did comment that my balls felt lighter as she gently brushed them with her fingers!

Morgan is a lovely young woman, so my first time at House of Divine was a success. Would be interested to hear if anyone else has seen one of the girls at this agency who is more a PSE.
