The Premises:

Great parlour on the Attercliffe road in Sheffield. you know it, great professional operation always with a selection of awesome looking girls. 4th visit now and as good as ever.

ok it's a bit of a shit neighbourhood but you're not buying a house there are you? parking easy as, dead opposite. you can tell what it is from outside, don't care personally, not local and people want to judge then let them. I'll be having a more enjoyable afternoon than them hahaha

clean, tidy, very well run with showers and toiletries available in the rooms. eve got a decent cup of tea from the lovely lady.

The Lady:

Fucking amazing. Not my usual type, curvy British Caribbean girl with massive juicy tits. Normally go for slim petite blondes but she was that hot I had to try something different. Killer curves and a cheeky smile - greeted me at the intro stage with a full on snog, tongues and all and just whispered in my ear something a bit dirty!!

added bonus of her not wearing a bra and here tits falling out het slinky little top. sneak preview of the goods inside with a cheeky giggle. adorable and very sexy.

Great choice, enthusiastic, friendly and pure filth.

The Story:

took my hand and marched me upstairs. what a fucking view that is, following that arse upstairs!! had me in the room and basically started kissing my face off and stripping me naked, whispering in my ear what she was going to do with me. only got to the admin once she had my now throbbing cock in her hand - none of this robotic service you get with scheming romanian girls. proper service from a pro.

lots of kissing, while she massaged my cock and balls, eventually asking if I wanted a tit want. I

admitted I'd never had this before which just drove her more wild! I returned the favour by licking her gorgeous, fresh and sweet tasting clit until she was shaking with pleasure. absolutely soaking wet now and if she was taking it she s a decent actor.

enough of that, she said she wanted a good fucking and I was fit to burst so did her on as many positions as I could manage before I spunked. finished by banging her as hard as possible in doggy, watching those tits jiggle in the wall mirror.

shot my load and we just collapsed together in a sweaty embrace - still kissing and cuddling. no bullshit with this girl - if it's a genuine gfe with a side order of filth you're after then Casey is your girl. wouldn't hesitate in seeing her again, I'd jump at the chance.
