The Story:

This ranks probably as the worst punt experience I've ever had!

I was greeted by a sleepy (went to bed 6am) young lady (looks nothing like the photos on website), possibly because she had no make up on at all and her hair wasn't brushed. Jul had a cigarette in hand when she came to the door and continued smoking when she went back to bed! Her room was filled with the stench of smoke and sadly so was Jul. I was made to feel unwelcome and intrusive. The conversation was limited and one way. The encounter was brief, very mechanical and the rules set by Jul particularly rigid. I couldn't wait to get out and left within 30 minutes. Not at all what I was expecting, based on previous reviews. Very, very disappointing!
