The Story:

Bit of a mixed experience. Mimi is new to the UK and does not speak much English - enough to get by though. She was friendly and welcoming on arrival. Shower/towel offered, which I took before getting on with things.

As mentioned, she has a great body - small, slim with with a great set of boobs and a lovely bum too. When it came to the services though, there was a list of things that she does not do. No OWO, no kissing - not done in any sort of nasty way, just "sorry, I don't do that". Covered BJ and sex in various positions followed. I left with the overall impression that she does not enjoy this line of work and was here out of necessity. Should stress that at no time was she anything other than friendly and welcoming, just that she was not really engaged in the experience. I left feeling somewhat sorry for her.

Recommended if you are looking for a young escort with a great body but not if you are looking for an enthusiastic partner
