The Premises:

Good flat in Paddington area above restaurants facing the Canal. Entrance is round the back.

The Lady:

Pictures have had a lot of work done to them, or they were taken 5 years or more ago. Amanda is much larger now, and is more like a 10-12 dress size. As I was expecting a difference but this for me was off putting rather than sexy / exciting, with her roll of fat on the tummy as well. I chose Neutral, as her attitude is good, attentive, friendly and she tried hard to make me cum.

Unfortunately I was not able.

Not sure if all the photo's on this site are as far off current reality as Amanda's but I would be very cautious in further bookings.

The Story:

Due to the initial disappointment I should have walked away... but then I thought give this a try. As said above Amanda is very friendly and has a good attitude, the deception of the photo's set my expectations higher than reality. I would not be returning or using the agency again.
