The Story:

Very good comms by sms, phones when I arrived and she guided me in. I was overjoyed when I laid eyes on Kaleena in her sexy black robe that barely hid anything.

She got me a water as I used the bathroom and then I undressed and she sat with me on the bed. I had. Opted to pay £20 for French kissing and I was so glad as her full lips caressed mine. This was a lovely gfe, we cuddled and kissed and she got me hard in no time. She expertlyput a condom on me with those perfect lips and gave me an incredible BJ as well as licking and sucking my balls. Kaleena gripped my cock with just the right pressure and I could only lay back and enjoy.

Next up I had this perfect girl sitting on my face whilst I buried myself in that perfect ass. It Was then my turn to go down on Kaleena and I was delighted to find a ring piercing just Above her clit. I worked on her for a few minutes- she was so clean and neat I could have done that all day.

Then it was time to fuck, Kaleena sot on top and rode me, followed by spoons and then missionary all the time I was in awe of her beauty. After Kaleena sucked and wanked me to completion and left me drained. Cuddles and massages filled the next 15minutes and then it was time to go. I'll be back soon!
