The Premises:

Hotel, close to bus stop and underground stations. Shower facility provided by force, not out of courtesy since I chose the quickie session

The Lady:

Fine lady, nice boobs and pussy, nice body, not over weight, but bit mature, Hungarian but listened to a lot of latin songs.

The Story:

My experience was not so great, she seemed to be in it for the moolah, no gfe or pse experience, clock watcher was in a rush, was texting and answering calls, didnt bother to reciprocate in anyway since it was a quickie. only quick fuck, not kissing or grabbing allowed, but managed to hold her nice boobs. she said i could get more if id pay more but would cost 70. Im glad i paid 40 for the quickie, will never choose her again, not worth doing it with someone not into it at all.
