The Lady:

Mature blonde lady, pictures posted on profile was of hers but probably 6 years ago. Seemed very nice to talk to, clock watcher as she timed the session. Nice boobs and pussy, bit overweight.

The Story:

Session was ok, no kissing provided even though it was mentioned in the to do list. was always covering /protecting her nipples so obviously not sucking was allowed, did a covered bj, only for a short while, allowed to have dinner at the Y but again only for a short while, then did my deed doggy style, but felt mechanical. overall she is nice but didnt feel the punch. therefore will not visit again.
