The Premises:

he place is very easy to find. Only a two minute walk from West Kensington tube station. The street itself is very quiet and no-one really notices you enter the premises. Inside it's very plush. I had a shower before meeting and was offered a drink by the maid.

The Lady:

Emma is a petite Australian blonde with a lovely smile and a really bubbly personality. I commented that she really looks like Elizabeth Berkley from the film Showgirls and she commented that a lot of people say that! Unfortunately, today was her last day in England so anyone wishing to see her are out of luck. I wish I had seen her sooner and paid her a few more visits. She's that good. Everything you look for in an escort.

The Story:

I was in two minds as to whether to write a review for Emma as after today, no-one would get the chance to ever see her again. But I thought that I hope Emma still reads the House of Divine reviews and can see how much I enjoyed the time I spent with her today. It truly was a great half an hour. After sorting out the money, Emma asked if I would like to see her naked. Of course, and she stripped to reveal a really lovely natural body with a shaved pussy. She then got on the bed and put a condom on to give me some lovely OW. I usually prefer OWO but I always read the girl's services and if it states OW, then that's what it is. I had some lovely OW from Sake last year and it didn't make the slightest bit of difference, same as Emma today. She gave me a lovely blow job and it wasn't long before we were in the 69 position. By now Emma had got my cock really hard and it was time for sex. I didn't deviate from the missionary position at all and it was just fantastic seeing her smiling face underneath me. After a while, she reached an orgasm. I carried on and it was pure bliss. Really lovely slow sex with a gorgeous girl. Conscious of the time, I pulled out and started wanking till I came on her gorgeous breasts. While cleaning up, Emma paid me some nice compliments but really it was down to her. She really got me turned on and it's a shame that I will never see her again. She was that good.

So, farewell Emma and I hope your new life in Australia works out just as you hope it would. Thanks for a lovely half an hour. One of my best punting experiences, definitely.
