The Lady:

Summer looks better in person than her pictures. She is back o her size 10. She is about 5 foot 5 with lond blonde hair.

The Story:

This is the first time I have seen Summer for sometime, and she has moved back to near Baker Street.

She met me at the door with a very warm and welcoming smile. She led me into the bedroom and was very patient. She took time to understand what I wanted, explain the use of implements available, and the rooms to use.

Summer can still roleplay very well and dresses as requested. She can take a good hand spanking and receives implements such as paddles, straps with a wicked smile, and no complaining.

Summer also took a dozen of the cane, after handing me a senior one.

She finnishs the session with what ever relief you request.

She does not clock watch and was relaxed the whole session, still having time after the allotted hour to chat.
