The Premises:

Small 1 bed flat above shops. Fairly discreet. Suits the need.

The Lady:

Bubbly friendly girl but time has caught up with her. Breasts saggy and not firm as pics would have you believe. Carrying a lot around the waist. Size more like a 12-14.

The Story:

Nice enough girl but not worth £150 visit. After a shower had owo and I went down on her. Few moans and groans in between texts on phone. After first pop in doggy we chatted and despite having 20 mins left she got up and asked if I wanted another shower before i left. Clear not trying for another . We We didn't really click sexually and she wasn't the hottie pics depicted.

Maybe good for others but not for me on this experience.
