Website photos pretty well spot on. Somewhere between 25 -30 years old. Attractive lady, great body, natural tits, shaved pussy. Cheeky smile.

The Story:

This is the second time I've seen Julie in the last month and this visit was just as good as the first. Different flat than before . Not quite as good as her previous flat but clean and fit for purpose

Julie was wearing a very short black leather dress with tights and high heels. Present exchanged and straight into DFK. Quick cold shower , no hot water at present, then on to the couch and the DFK continued with hands exploring everywhere. You can manoeuvre Julie into all sorts of positions and she always keeps that cheeky smile.

Eventually ended up on the double bed with her dress pushed up, tits out and tights around her ankles, shoes still on. She's not too keen on fingers in her pussy but loves her clit being rubbed slow and fast while you suck her nipples. This I did until she was dripping wet and moaning big time.

More DFK and stripped her naked and on with the condom. Usual positions, until Julie finished me off with a frantic cowgirl effort.

Rest and a cuddle with more DFK and my finger up her arse. Julie working her way down my body while I lay on my back. Lifted my legs and in went her mouth giving me a top notch rimming. Tongue licking and pushing into my arse. Licking cock and balls and back to my arsehole. Couldn't hold out for too long before pulling her head up and fucking her mouth . Shot a goodish load straight in. Julie continued sucking me dry before bouncing off to clean up in the bathroom.

Time was up , so back for another cold shower before dressing, hugs and kisses and out into the sunshine.
