The Premises:

The house is based on a busy street but there is a very discreet entrance .Rooms are very nice and clean , always ready and fresh

The Lady:

A beautiful young Thai lady. All pictures are accurate and real . Slim , with such a nice boobs

The Story:

Cherry came in the room really quick with a lovely smile . We chatted for a while and after we already start to kiss each other . I wanted to try different things and because of her easing going nature , I told her some of the things I like ... she knew exactly what I wanted . She start to give me a truly GFE with lots of Kissing ,Owo and plenty of touching , with a very happy ending . Is easily to see that she enjoy what she doing .

All in all , an extremely good experience.
Highly recommend .
