The Premises:

Typical HoD flat clean and conveniently located from station - however the room at the front is right next to the main door so if the window is open you can hear the comings and goings of others. However I understand these premises are hard to acquire and keep due to the nature of the business

The Lady:

Dollar is the poster girl for HoD and has nothing to hide so you can find many photos of her. She has pouty lips slim figure and natural breasts - a great package.

The Story:

Dollar is a lot of fun, she is young and energetic (even on 2hrs of sleep!) she is great to chat to and has many crazy stories.

Foreplay and kissing is great she had an excellent blowjob techniques and really know what buttons to press to turn you on.

She offers sex in multiple positions and is very flexible and sensual during the main even with lots of nuzzling and kissing on the neck and mouth.

When chilling between rounds she is constantly checking if you are ready for the next round by gently stroking you - she wastes no time and makes sure you get the most out of your session. True stand out performer in the HoD lineup.
