The Story:

This was a duo i had on my mind for some time

But didn't think it would happen

Had seen Nicola in solo earlier in the week

And this opportunity arose

Wow

Just sharing the bed with these two hotties was mind blowing

Because they are not a regular duo (I don't think they've worked together before) it wasn't an all action affair

But wow the action there was was superb

Mainly consisted of me entertaining Gabriella orally and Nicola entertaining me with her mouth and then riding me

The conclusion was unexpected, with Nicola in cowgirl, Gabriella on all fours so i could access her perfect P&A with my wandering hands; and one breast from each lady in my mouth

An experience which will not be forgotten

Full marks
