### The Premises:

Nice Flat, a short walk from the tube, discreet entrance.

### The Lady:

Great figure as you can tell from the pictures and a beautiful face which is obscured in the pictures. Dressed as requested.

### The Story:

At the booking stage I had given her a role-play scenario for the meeting. There were both scripted and more loosely described sections. She was excellent in both segments, giving character appropriate actions and reactions. She is intelligent and well traveled so the out of character conversion was interesting too. A lovely lady who I highly recommend.
