### The Premises:

Clean and safe located in central Milton Keynes.

### The Lady:

A stunning young Romanian lady, quite possibly the most amazing looking lady I've ever seen. I could quite happily just admire her perfect naked body for the entire session.

### The Story:

I have seen Jamiee many times since she started working at Annabella's. She has often come across as cold and only there to do her job so wouldn't describe her service as a GFE but with such an amazing body she has always left me very satisfied. However this time felt different and even a little bit intimate which I put down to shaving my beard off after having for many years. This meant Jamiee was willing and even appeared to enjoy some DFK which she never previously allowed and even with the slight after taste of smoke was out of this world and had my heart thumping and cock twitching ready for more. Then it was onto the most enjoyable OWO I've ever received from this beauty, going very deep and sloppy just how I like it. I had to ask her to stop as thought I might pop to soon and wanted to be inside her. Having her riding on top of you is a sight to behold and something I highly recommend and can't believe I won't experience again.

Jamiee if you read this I hope you know that the hit on the face after we had finished was completely unintentional. I was trying to get out of the way as felt your hair trapped behind my back but I wasn't looking properly as was still recovering from one of the most enjoyable sessions I've ever had. If I did something else to make you feel uncomfortable please accept my sincere apologies as that was the last thing I ever wanted to do.
