The Story:

So arrived and got the paperwork out the way. She seemed tired and kept mentioning she has had a long day... not the best start as I knew from the off that she would just be rushing or uninterested.

Much to my suspicion that was the case - OWO that wasn't great but I'll say she was making all the sounds.

On with the sleeve and she wasn't as involved kept checking the time - overall poor experience.

To finish off asked to CIM and she point blank refused yet that was the main reason for my selection of her. Bad bad experience however most of Annabelles girls are usually on point! I'll put it down as a one off!
