The Story:

I felt a bit jaded with the hot weather and fancied a massage with a happy ending. I paid £30 for the massage + £20 for the happy ending and a further £30 for the massage to be performed nude. The massage was very good. It was quite firm to begin with. Oil was then applied and the massage on my back, neck and shoulders was very relaxing. The massage and soothing music was making me sleepy, but the massage then became more sensual with tickling and this helped me to become erect. When I turned over I made sure I got so suck Suzy's very prominent nipples. The hand job was very good, not too firm and it didn't take me long to come. Suzy went and got some hot flannels to clean me up and gave me a brief massage around my neck. There was a shower facility.

I felt very relaxed when I got outside and made my way home. Suzy wasn't very friendly when I phoned, too many timewasters maybe? Once at the location she was very friendly and we had a chat while she was massaging me.
