### The Premises:

Gloucester Road is an expensive part of London and the apartment was very nice, with the bedroom having an ensuite. All good.

### The Lady:

Totally stunning. In the photographs Sabrina has bright blonde hair and is very pretty but her boobs are bigger than they look in the photographs. Also, her hair is longer and more fair than bright blond. It is definitely her though and she is extremely pretty with the most perfect slim, sexy body and the softest, smoothest skin imaginable. Her boobs are a lovely handful - I would guess they are C cup. She wore lovely stockings and suspenders and she is very skilled at showing off her wonderful assets. I just wish that my wife ( ex-wife) had been able to do what she does!

What a sexy woman!

### The Story:

Sabrina has mastered the art of bringing a man to the boil. Of course it helps to look as gorgeous as she does but she knows how to lightly brush various parts of your body, move away and then return as you get harder and harder.

She also knows that men like women to moan and breath in their ears as a beautiful woman plays with your cock. The long and short of it is she brought me to the boil and then sat on my cock giving me a magnificent view of her beautiful boobs, face and stockinged legs as she moved up and down on my cock whilst moaning. I loved playing with her suspenders as she fucked me cowboy style until I came.

We chatted for a while and she has a lovely personality. She told me that she is 28, although she looks younger. I was then ready for round two so she oiled my cock and began wanking me slowly whilst playing with herself and looking me in the eye. My old man needed a bit of work but she never showed any signs of this being a problem She's got real patience and really wants her man to feel satisfied. I'll never forget the beautiful view of her gorgeous face, beautiful boobs, and pussy lips as she wanked my cock and looked me in the eye. She also arched her back from time to time

whilst wanking herself-beautiful.

Sabrina, I could have stayed with you all day. If I was your age I would treat you like a princess as well as fucking you every night. You are a gorgeous girl and you deserve to be happy in life.

I look forward to seeing you soon X
