The Premises:

New build flat by the River Kennet, close to Queens Road. Car park 5 minutes walk in Queens Road. Bus stop 2 minutes outside Prudential building. Bedroom with comfortable double bed. The room is cluttered with her stuff so she obviously lives there. OK shower & clean towels. She does have a cat, but she kept it out of the bedroom.

The Lady:

Lilith is a very sweet & enthusiastic girl. Definitely the girl in the photos. English size 14 with 34F tits, shaved pussy & some tattoos. When I saw her she had pink hair.

The Story:

When I arrived she was wearing a purple matching bra & panties set. After I paid her the cash we went straight into some DFK while Lilith helped me to undress. Onto the bed & mutual groping while carrying on kissing. She has such a gorgeous bottom that I just had to spank her. Lilith happily bent over & took a hard spanking. Got her bra off & sucked her nipples & played with those marvellous tits. Slipped my hand between her legs & rubbed her pussy through the crotch of her panties, then got my hand inside & found how wet she was. Ripped her panties down & went to town with my tongue in her pussy. Clean & sweet tasting. No complaints when I slipped a couple of fingers in. Back up for more kissing before Lilith went down on me & started sucking my cock. Lots of attention to the head & balls. She then asked if I wanted to fuck her, but I was enjoying the blow job so much I told her to carry on. CIM is not on her likes list so I told her I was about to cum, but she just carried on sucking until I shot 1 weeks worth into her mouth. She carried on to catch every last drop & then swallowed the lot. Lilith helped clean me up & we carried on kissing until my time was up. This was one of my top punts this year. An enthusiastic English girl with a gorgeous body at £60 for 30 minutes is excellent value for the money. I will definitely be back soon.
