The Premises:

As described.

The Lady:

Pretty, slim, red head, mid to late twenties, as seen in porn. Bubbly, friendly, energetic, very porn star.

The Story:

Entered, showered, paid. Sabrina came striding in, asked how I'd like to start. Told her I want to get straight down to action. She gave me some great OWO being very keen to come up and snog my face off during. Can't beat a good snog. Loads of eye contact throughout. I then covered up and fucked her. She was on top, she was under me missionary style wanking her cunt, she was on her back whilst I drilled her on the bed. Lots of snogging and titty sucking throughout. I then started to feel the urge. I pulled out and asked for oral. She duly removed the condom, she sucked my dick hard and fast, teasing me, and talking really dirty to me. I finally unloaded in her hands, felt great. She then had a shower, we had a good chat about the industry and porn etc. I had another squeeze and a peck on the lips and I was gone.

What a fab girl. Must recommend highly. If you read this thank you and I shall do a return punt.
