The Story:

Well I go to this place for the last 3 months and usually Saturday I try a new girl, or Sunday, sometimes upstairs, and like this time downstairs.

The maid open the door I was 5 min before the apoitment, she recognise me and show me to the room imediately on the left, I ask if she can break a 20 pound note to two 10, and she said she will ask the girls, she told me another ladys name, but ? remind her i come to see Gia....She did not ask me if I need water like the other maid upstairs always politely ask.

Gia come after few minutes, and I started undressing, she was wearing stockings top bottom, and she took only the bra off, she did not ask me if I need to have a shower, luckily I always have a bath before I go to any girl, and I just ask to wash my hands, she only ask me if I was asking for change and I said yes, I give the 80£ and she never give me anything, so to be polite I left with the impresion she will give me that at the end. so she took the money to a walet and she left it with her mobile phone on the side, the mobile keep vibrating and she was looking at it, she mention is my bosses boss texting me...like if i suppose to care for it...

Standing by the door she give me ligh kisses, and she drop to give me owo in fron of a mirror, wich usually is nice but she did not open my skin back she just took me like that, I put my fingers and pul it back but after she close it again !

Anyway she prompt me after a min to the bed wich I did go, and she come to continue with the same technik but now she use her hand to play....some more oral another 2 min...and more play with the hand, so i will call that a lady that she try to finish you quickly.. then she rich to take a condom, but I offer my better quality that I usually carry with me, so I got up and then I ask if we can have some 69, she said no I don't go down today ! So she put the condom and she come on top of me I was not even properly ready but she put it in, and to be honest she was so open thet I feel nothing...

Anyway she drop on me and she try quick motions and making fake noises, then after 3 min she sugested doggy style, I accept and I did another 5 min like that, and I come.

She made a lot af fake sounds, and she got up and remove my condom and give me some tissue...

Now looking at the time was 12 minutes past 14:00, she said we have another 5min !

I told her you are not good in maths, she said I have another customer after, I remind her that I book to 1430...then she sugested we lie on the bed and talk, she ask me questions, and said how qute I am, and we talk for 18 min...then the maid started knocking the door sharp at 1430.. I got up and dress quickly, I ask for my 10£ she said I give you, I said no you did'nt she said sorry by looking at a 10£ inside her wallet and give it to me....She reply to the maid is getting dress up, 14:35 I am going out and I said is few minute to the maid that stood outside, she reply no is 5min and I need the room.

All in All one of my worst punts in my 30+ Years on this hobby, and a total watse of money, normaly for a service like this we pay 10 Euro in my country.. and even there they offer 69 on the menu and other things...of cource everyone knows this as the 10min service.

Advice to the House of Divine: you have some amazing proffessional girls like Louise, Apple, and you have good maids like Sylvia upstairs polite. and you have 1 or 2 girs and one maid absolutely that the spoil everything...
