The Premises:

Convenient location close to Victoria station. I have been to HoD2 before, but this time was the above floor. The flat was OK, but a bit small. There was a dude standing in the front door, which made it awkward for me. The maid was a bit unfriendly, but I guess she was just tired.

The Lady:

Sex goddess and personified cheekiness. Early 20's, brown skin and dyed blond hair. No tattoos (which is a plus for me). Soft brown skin with large natural breasts.

The Story:

I tend to go for pale girls.

My type of girl are similar to Stoya, Alessa Savage and Evelyn Claire: Pale as paper, nice ass and small boobs. So going for Cherry was odd for me, but due to work-related issues I couldn't go for the pale girl. I'm not a big fan of big boobs either (Unless the girl is Stella Cox). Shagging Cherry was a total blessing!!!

During my booking, I asked if Cherry could go into the room completely naked and only wearing high heels. She complied. She entered and said: "Hi there" and I replied "Jesus christ, you're hot!". She really appreciated the comment. I was getting the paperwork sorted and while I was reaching for it, Cherry went down on me and started sucking my cock - which was already very hard just of seeing her naked - and looked at me with this pornstar face. She stop and told me "Your cock taste very good" and gave me a very naughty smile. I was in heaven.

On with the condom and I asked her to have sex standing. This was very nice for me because I could enjoy her ass while I fucked her shaved pussy. But it was not comfortable for her, so we switch to doggy on the bed and on the floor. The she sat on the table and we fucked like that for a while. Her pussy is so tight I almost

came. Then we change positions again and she lay on the bed while I put my cock inside her and licked her feet. She was having a good time and told me: "I'm your little whore". That did it for me, I had one of the best orgasms ever!!! and when I did, she complained: "You were supposed to come on my face" and gave me a very cheeky laugh. We stayed in bed a bit while she let me play with her perfect bum and legs.

She should do porn. She's very friendly and easy to talk to and has changed my perspective regarding the type of escort I like to visit.

I strongly recommend her. She's perfect.
