The Premises:

Block of flats used by other WG's. Up a lot of stairs to small functional place. Shower is shared to wash before arrival unless you don't mind that. Nice creative decoration to make place more unique.

The Lady:

Petite beautiful Thai lady. Nipples you could hang your coat on and the most perfect bum I've had the pleasure of in a long time.

The Story:

After recent poor visits to Euro and Brazilian ladies (one where I had to post a review) thought it only right I share the positives too. Been to see this young lady 2 times and both have been fantastic.

Overall great service including responsive DATY, cowgirl, doggie , OWO and anal all provided with gusto.

Seen her now on a couple other agencies so no doubt she'll get busier.

Highly recommended.
