The Premises:

Basement flat on a road running parallel with Queensway, within 5 minutes of both Queensway and Bayswater tube stations. Steep steps down to the front door, no bell, but a discreet knock on the door did the trick. Flat is immaculately clean, lots of mirrors in the bedroom, and a fridge full of welcome drinks to choose from.

The Lady:

This was my second visit to Julie, and it won't be my last! Julie is very beautiful, just like her photos, with a petite toned body, and a magical personality, which would put anyone at ease, and in my case, forget entirely this was an escort booking!

The Story:

Julie likes to ease into her time with you with a chat and a drink, but rather than in any way wasting time, it relaxes her, and we made it fun with a bit of secretary role play, which she clearly enjoyed as much as me! After a quick assisted shower, she invited me to join her on the bed with her seductive eyes, and a wicked smile. What followed was a hour or so of intense fore play and sex with Julie spending almost all the time in cowgirl, she has unbelievable energy! I think we were both weak at the knees at the end, and while I was walking back to the tube with wobbly knees, no doubt, Julie was already readying herself for another visitor as she is deservedly very popular. An absolute gem in every respect.
