The Premises:

Usual HoD - i.e. clean and suitably nice

The Lady:

Tall, British, matches pictures and descriptions on HoD site - she is pretty - very nice eyes. Unlikely to be the stated 21 years of age - most likely mid to late 20s.

The Story:

Pro:

>she was relaxed and friendly

>asked me what I wanted and delivered

>pretty, plenty of eye contact

>felt like having sex with a friend - which is what you want - good gfe

>genuinely British - not one of the EE girls masquerading as British - as you often get

Con

>When I had made the booking, I had asked her to wear a dress/uniform - something that she had brought along. The maid asked her while I was on the phone, and she said that she had brought some stuff along. I wasn't too picky - just said wear one. She didn't. Not a big problem, but would've been nice if she had actioned my request. (Uniforms are listed on her profile)

>Very minimal kissing - her profile says FK. I didn't get more than a few pecks on the lips before she started pulling her face away. The rest of the punt was great, and I wouldn't have mentioned this - but she does list FK as one of her services. FYI - I had just taken a shower, and rinsed my mouth out with mouthwash just before the punt - so it wasn't me.

Overall

>Great punt - everything went well, I enjoyed it.

Out of 10 rating: 8/10. Docked a point for no kissing - all I got were a few tight lipped pecks.

If she had offered me FK in some form - I would have returned to her regularly.
