The Premises:

New Hod 3 building. A decent flat. Room a bit small than other locations but decent enough.

The Lady:

Her photos are pretty accurate. A very curvy brunette, a pretty face in a girl next door way, and a wonderful personality. She make the most nervous feel at ease but she also has dirty side for the more kinky.

She has a great pair of breasts which she is rightly proud of, but I think her arse is great too.

The Story:

Morgan came in wearing black lingerie looking as hot as hell. She recognised from me previous visits and gave me a lovely French kiss. I explained a roleplay idea I had, and she happily obliged. We were soon got down to business and before I knew it she was giving me her signature move, the glorious tit wank.

I could write an essay on my experience with Morgan but it wouldn't do her justice. Go visit her and treat her well.
