### The Premises:

### The Lady:

She is very young and bubbly. Likes to chat and talk about things. Her body is petite (not the same as the one shown on the website). Her breasts are also smaller than what is shown in the pictures. Nonetheless she is good looking if you are into this type of girl.

### The Story:

She was late by 15 minutes. She is charming so it helped set the mood a bit once she arrived. However, after that, it went downhill. She kept on looking at the time. While she was opening the condom, decided to give her phone a sneak peak and sent out a message. Yes, I am serious, in the middle of the act.

In the end, she had the balls to ask for additional cab money even though I had already paid the outcall rate before we started. I would suggest you stay away from her. She is charming, but the service is quite bland for the price and you can get much much better in London.
