The flat above House of Divine 2. Ten minutes walk from Victoria train station. Usual clean falt and friendly made, who offered me a drink when I arrived before taking a shower.

The Lady:

Effy said on when I saw her earlier this year that I really must see Lilly as she is so lovely and she wasn't wrong! Lilly is a petite English blonde beauty with a lovely, bubbly personality. I just adored her dimples when she smiled. Looked at the blurred photos on her profile pictures on the House of Divine website and you'll see what I mean. She has nice small breasts, a shaved pussy and a lovely bum. With her looks and personality, she is as perfect as you can get. She doesn't work very often at House of Divine so book early if you see her on the schedule.

The Story:

Lilly came in the room and greeted me with a kiss and once the money was sorted out, we cuddled and kissed before I asked if she would get on her knees and she started kissing my legs before moving onto my cock. At my request, she planted little kisses on my cock before putting it in her mouth for some gorgeous OWO. Then she started sucking my balls. We then got onto the bed and she carried on giving me a fantastic blow job before that turned into a 69. Then on with the condom and we had some lovely slow sex in the missionary position. After a few minutes, I asked if Lilly would mind going on top and she obliged. Seeing Lilly bounce up and down on my cock was pure bliss and I commented that I wish that I had booked her for an hour now. I then went back on top and with time running out I pulled out and came on the top of her leg before she moved round a bit so the rest of my cum went on her lovely bum. We then cleaned up and had a nice chat.

That was a perfect half an hour with a gorgeous girl who I can't wait to see again. And Effy, I owe you a bottle of mead next time I see you for introducing me to such a wonderful woman!
