The Premises:

Hestia's apartment is in the Gloucester Road area, somewhere I've been to before a number of times. I was lucky enough to find her on the ground floor, so I still had enough energy. Flat is small, but very well kept, and tidy. The shower is fine, but makes a nasty whining noise. I didn't want to give her tips on her plumbing though!

The Lady:

Hestia is a Russian escort with a lovely manner. She doesn't speak much English at all, but what she knows, she does try very hard at and is still keen to converse. She looks just like her pictures, although I would say a better resemblance would be from the older pictures she had on Babylon's website the last time she was here. Still the same though. She has a lovely slim figure and a very curious, beautiful face with sparkling blue eyes. I would certainly say that she was around her late twenties, as advertised, but could for sure pass for younger.

The Story:

Hestia answered the door with a lovely smile and welcomed me inside with a big kiss. She was wearing a very stylish dress, just above the knee, with a tasteful amount of cleavage showing. I would certainly be proud to take her out to dinner the way she dressed. I almost felt bad that I wasn't. I undressed in her lounge to my shorts and she lead me off to her bedroom and the shower. When I returned from my shower, I didn't think it could get any better. I usually don't like it when the girl undresses before I return, but in this case I was proved wrong. When I returned, Hestia was wearing all black lingerie. She had on a bra that really pushed her boobs up, a black suspender belt, little black panties (over the suspenders!) and silk stockings. She has great long legs and looked fabulous.

When we embraced I didn't know where to begin, but Hestia started by passionately kissing me. This was when she really came out of herself and showed her confidence. Initially she has seemed a little shy. She kisses very nicely, with tongues. I kissed her neck and reached around to unhook her bra. Then the party really started and when I saw those boobs, I knew it was going to be a good time. I'm not usually a massive fan of enhanced boobs, but these are done really well and didn't feel too bad at all. It didn't take Hestia long to go down on me as I sat on the edge of the bed.

Her OWO is very good indeed. She sucked nice and deep and nice and wet, with alternate jerking me off and licking my balls. I really could have just sat there and had her finish me off like that. I was so close and it had been a while since I'd seen a girl! Eventually however, I decided to have her on the bed and she laid back with her legs open. I licked my fingers and played with her pussy and she seemed to really like this. I was going to go down on her, but she reached for the condom and asked me to fuck her. I wasn't going to disappoint her. We went at it for a while in the missionary position. She's nice and tight, yet really wet. She didn't need to play around with any lube, put it that way. I eventually turned her over and we fucked in doggy for a while until she collapsed with her head in the pillow as she shoved her hand between her legs and brought herself off whilst I carried on. This was really hot.

As I was getting close I asked her if she would finish me with her mouth and she obliged. More great OWO, but this time looking me right in the eye and jerking me off with her tongue resting on my cock. She moved to pay attention to my balls and as she started to do this I began to cum hard. She then dived her head back down onto my cock and continued to suck on me, allowing all the cum to dribble down the sides of her mouth and down y dick. This looked like a real good oral creampie porno or something, and she just kept on going, licking and sucking.

Hestia chatted for a while when we finished. She is a lovely girl and we talked for a while about a number of things. She told me she had a horse and enjoyed riding, then showed me some pictures of her doing this. It seems that she is quite the rider. Now I regret not letting her do this to me! I will be back to see Hestia for sure.x
