The Premises:

Close to Victoria Station, flat ok, clean and tidy but not as great as the previous flat.

The Lady:

Slim, firm, tall beautiful Romanian girl, if I had to guess in her mid 20s. No tattoos and if you saw her on the street her body would grab your attention. Pictures are very accurate.

The Story:

Nicola went straight into GFE, keen on kissing and nowhere was off limits. She is skilled, sexy service provider, seems enthusiastic to please. OWO was provided with good attention to balls but no deep throat. She came straight out of the shower so pussy was lovely and fresh and very responsive to mutual oral. Banged her moderately hard in a few positions in front of a full length mirror which was a nice touch.

In summary, Nicola is a lovely good looking girl who is into sex. Great body and seems keen to show a good time. Would be happy to see again... and again
