The Premises:

I found her place very easy with the details I was giving. Just a 5 minutes walk from the station. Once inside the flat it was clean with all the modern cons. Each room is fully stock with whatever you need. 10 out of 10

The Lady:

Emma is the most beautiful woman in the world. When I walked in and turned around I was a lost for words. It was like a cartoon. My eyes was bugling out, my tongue was on the floor. My heart was banging in my chest. A perfect wonderful woman who sat and listen, never rushed with all the curves in the right places with a body your can worship all day and night. A perfect 10.

The Story:

I was welcome into the flat and I walked into the main room. I was given a glass of water. We got the admin out of the way and then we sat down and sorted out what I would like. Let's just say, the next hour was magical. The next time I visited again was even better. I can't wait to see this beautiful woman again to try something else. Again, 10 out of 10.
