Nice room, clean.

The Lady:

Jess Is one of my favourites. Totally stunning, slim, size 6, tanned with nice boobs. I've seen her several times and I can't believe that anyone would review her negatively. The only reason I can think of is that they treated her badly. She is an absolute treasure and I would love to fuck her every day of the week.

Sophia is a bit bigger than I would normally go for but I really fancied a threesome and my other favourites were not available.

The Story:

Jess Is tremendous and I concentrated most of my efforts on her. Sophia didn't really do it for me and when her mobile phone went I told her it was okay for her to leave, which she gladly accepted.

I wish I had just gone with Jess on her own. She looked as lovely as ever in black stockings and suspenders and she filled me with joy with her smiles, all round sexiness, cute body and focus on making me cum.

Jess, I'll be back for a 4 some with you, Jamie and Apple soon. When I was with you and Jamie it was great to see you kissing each other and I hope that you will both be a little interactive with Apple X

Boys, Jess is highly recommended. If you like slightly bigger girls Sophie may be OK for you but she's not for me as I prefer size 6/8 maximum.
