The Premises:

A very clean private flat between Bexleyheath and Bexley stations. It had shower facilities.

The Lady:

A size 16 Polish girl as pictured but a couple of dress sizes larger.

The Story:

I was in two minds to give this a negative or neutral rating. Firstly, I had phoned a different girl, Laura. Secondly, Nicolette, who I did consider seeing, was larger than in her profile pictures. I decided to cut my losses and just enjoy a massage & hand relief session. After showering and laying down I did enjoy the massage with warm oil. It relaxed me but not enough to make me feel sleepy. I turned over and the handjob was nice and slow with lots of tickling. I made sure I gave her breasts a lot of attention before exploding. I had a shower to clean up before dressing and leaving.

I think I will revert back where possible to slimmer girls.
