The Premises:

Easy to find flat two minutes walk from West Kensington tube station. Had a shower when I arrived and was offered a drink by the maid.

The Lady:

Ivy is a gorgeous British/Filipino girl and fairly new to the escorting business. She has a lovely bubbly personality, a cute voice and a beautiful smile. She has pierced nipples, a few very discreet tattoos, a shaved pussy and a curvy bum. Check out her pictures on the House of Divine website and what you see there is exactly what you get when you meet her.

The Story:

I think it's fair to say now that I am addicted to the House of Divine!

When I arrived at the flat, I was greeted with the sight of a naked Jamiee with a towel half draped round her and a lovely view of her naked bum! I then showered and was shown to the room by the maid. Ivy came in not and greeted me with her kiss on the lips. After a bit of FK, I asked if she would get on her knees and suck my cock and she obliged. I wasn't prepared for what followed! Her deep throat was amazing and she took all of my cock in her mouth. Watching her do this in the mirror was a real turn on. Onto the bed for some more OWO deep throat before that turned into a gorgeous 69. By now I couldn't wait to fuck Ivy and Ivy put the condom on before realising she had no lube in the room and popped out to get some. She has a lovely tight pussy and it was an absolute pleasure being inside it. At my request she pinched my nipples before asking me if I like being spanked and scratched. I said yes and she did both of these things to me and I have to admit, it was quite a turn on. Ivy kept eye contact during sex and smiled a lot and looked absolutely stunning beneath me. After a few minutes of slow sex, Ivy came. She then went on top of me and rode me for a few minutes before I sensed time was running out and I went on top again. Ivy asked me how I normally finished and after reading she does CIM, I asked if I could do that and she said yes. I gave her a tissue and she spat my cum out into that.

I loved Ivy's innocent look and her personality and her services, especially the deep throat, will ensure that she will become a House of Divine legend. On the way out, I saw Jamiee (see my

review of her 127823) and Scarlett (see my review of her 127734) with Ivy and said hi to them and then smiled on the way out knowing I have had sex with those three beautiful women this year who were all in that one room. House of Divine, you are going to ruin me financially but what a way to go!! Keep up the good work.
