### The Premises:

Annabellas have a series of flats across central MK. All pretty discreet and ample parking. This time was near the Post Office in theatre district.

### The Lady:

Laura is a Brit, late 20s girl, nice proportioned body and fantastic attitude. Not as attractive as I expected, but think my mind played tricks on me, attitude and body first class tho.

### The Story:

Laura welcomed me into the flat wearing heels and a see through top. Very nice welcome. Shower and finances sorted we retreated to the bed.

Very nice OWO technique, knew I had to return to this, and some DATY which I could tell she genuinely enjoyed. On with the cap for variety of positions, one in particular at her suggestion which she definitely enjoyed as she was quivering! Towards the end got close so returned to oral with a CIM and swallow finish. Relaxed with some good chat as she played with my hair. Strong recommendation.
