The Lady:

Very pretty lady, brunette, 30s, slim, nice body, medium natural tits. Fun, friendly, good to talk to, gives a great GFE!

The Story:

Walked in paid entrance fee, washed, paid girl. Got straight down to some serious naughty business, full on snogging each other's faces off. I fingered her cunt to get her nice and wet. Tasted my fingers a bit as we did that. Really fucking naughty. She came very loudly as I wanked her. And she teased me that I am never allowed my hand back. She gave me a great BJ without. Really nice touch. Can't be beaten. On to the fucking - lots of positions and energy: me on top, her on top, doggy etc! Finished with a cracking BJ again without. My jiz was everywhere at the end - all over her hands and mouth! Felt very releaved! Had a wash. Time for a lovely quick squeezing cuddle and kiss goodbye.

Highly recommended. Excellent service. Good, well run establishment too - showers in rooms, always a plus for me. You simply must pay her a visit my fellow gents - well worth your while!
