The Lady:

Scarlett's photos online had always intrigued me... But she was even better in the flesh. One of the best bodies I've been with, and she's gorgeous in a girl next door kind of way.

The Story:

At my previous punt, I'd told Vanessa that I planned to see Scarlett the following week. She told me scarlett was as sexy as it gets. She wasn't lying!

When scarlett walked in she was dressed in red, in a two piece which highlighted her incredible figure. Couldn't believe my luck. Have I mentioned how perfect her body is?!

Everything went to plan; between sessions we chatted and it turned out we had grown up not far from each other and went to similar clubs.

She was such a good craic. Always keep an eye out for her, and will definitely return to see her though am making my way through uncharted territory first!

Book Scarlett... Thank me later.
