Victoria basement flat, well documented.

The Lady:

As per her pictures, listed as Estonian, no reason to doubt as she does have a slight Scandinavian/Nordic look to her, very nice. Nice body, pale and long.

The Story:

Helen's pictures attracted me and when she walked in, I was happy with my choice. But unfortunately, she kind of had a 'meh' approach throughout and only picked up near the end when we were chatting.

Others have mentioned her style being an acquired taste perhaps, but I found it a little weird being with someone who wasn't as engaged as others. I get there can be off days, or off punts. And I don't intend to slate her for that, but my experience with her was a little weird for me.

Can see why some would recommend, while others not... She was great to talk to after the event, clearly a smart girl and so I'm intrigued to visit again. We'll see.
