### The Premises:

A tweet early Saturday morning indicated the address as being Bletchley, having only been to this address once I was a little apprehensive as I had trouble parking, but the maid told me of the nearby Sport Centre which is literally across the road and is free and unlimited.

The flat looked like it had been recently decorated, nice carpets and furnishings the room we used I guess is the front room of the premises so the bathroom was upstairs so my pre punt shower I got undressed and had the shower then walked downstairs wrapped in a towel, as I am not body beautiful I felt a little exposed.

### The Lady:

I had briefly caught a glimpse of this lovely lady after a two girl booking, as I was leaving the buzzer to the flat went off and one of the ladies mentioned it was Harper, I had been discussing another possible two girl and Harper was one of the options. She looked amazing as she walked past me, so when the opportunity presented itself to see her on a free Saturday, I felt I shouldn't ignore it.

Harpers Twitter pictures are a very accurate representation of how amazing she looks, however what they don't show is her beautiful eyes, she is truly stunning.

### The Story:

Let into the premises by a great looking maid and shown into the room we where going to use, offered a drink and I then asked if the bathroom as available because I wanted a quick shower, at this point things kind of ground to a halt as someone was using the bathroom. Waited a few minutes and the stunning Harper entered the room with my drink, I heels she stood taller then me (her profile says 5"9 which I guess would be right) she gave me a lovely firm kiss on the lips and just started chatting like we had know each other for ages, so reassuring and comfortable.

Finally, the bathroom became available and I was able to have a shower and freshen up, probably taking up ten fifteen minutes of the punt. Back downstairs and the lovely Harper were waiting for me

in a black body stocking and red heels, looking spectacular.

All services where on offer and Harper held nothing back, there was no clock watching and the whole appointment was a very passionate and memorable. After my first pop we just sat there chatting about future possibilities of a two-girl meeting soon and if Harper is up for what she described I can imagine that being a spectacular couple of hours.

All this naughty talk got me aroused and Harper was very eager to see I was thoroughly drained.

An enjoyable afternoon with an amazing sexy lady.
